

Selection criteria and selection procedure

Formal compliance criteria and eligibility criteria shall be assessed by the Programme Operator. The Programme Operator shall reject Grant Applications not meeting formal or eligibility criteria. Applicants are informed about their right to contest the rejection within 5 working days since the rejection. This rejection does not prevent the re-submission of the Grant Application.

Every Grant Application meeting the formal compliance criteria and eligibility criteria is circulated to the relevant Cooperation Committee representatives. The nominated representatives of the Programme Operator and the Donor Programme Partner – The Norwegian Health Directorate – score the Grant Application and decide either to recommend or not to recommend the Grant Application for funding. The nominated representatives of the Programme Operator and the Donor Programme Partner shall individually inform the Programme Operator about their decision on each Grant Application within 10 working days. The other representatives of the Cooperation Committee can provide the Programme Operator and the relevant Donor Programme Partner with their comments on the application.
